Article 5.2: Eligible Competitors - Licences

For UK Residents - As for all events run in the UK by HERO-ERA in 2026 and beyond, all competitors whether you're a driver or a navigator are required to have a Current Motorsport UK Competition licence (or a Competition Licence issued by your country's governing body). If you don't hold such a licence, then you must apply for an RS Clubman licence. If you held a 2025 Licence you will need to renew it for 2026. This licence is free of charge and can be obtained by going online to the Motorsport UK site and making a formal application

You will then be issued with a competition licence which will give you your competition licence number. You will also need to bring the competition licence with you for inspection at signing on or if you have a temporary number, please bring the email confirmation.

Should you require any assistance regarding this, then please do not hesitate to contact the office who will give you any guidance they can.

For Non-UK Residents - Any Non-UK resident that does not hold a competition licence issued by the motorsport governing body of their native country can apply for a Motorsport UK RS Clubman licence. This exercise must be completed before the event so that competitors can bring the UK licence to the start venue.

The premium will be advised once information is received from the insurer. This premium should be paid prior to the event starting.

All competitors who will be driving on the event will be asked to sign an insurance declaration that they have cover for Road Traffic Act requirements, and to confirm that all drivers, either (a) are covered by an extension to private motor insurance to include cover whilst participating in the event; or (b) are able to comply with the following declaration.

INSURANCE DECLARATION

Vehicles must have a valid motor insurance policy which provides as a minimum, Third Party Liability cover that complies with the Road Traffic Act. This can be either, by extending an existing motor policy to cover the event, or, by purchasing additional cover, provided under the Event Road Section Scheme as an adjunct to an existing motor policy. If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor.

If a competitor wishes to purchase additional Road Section cover via the organisers, then they can do so prior to the event providing they comply with the following: **Is aged 19 years or over**

Has held a full UK/EU driving licence for a minimum of 6 months **Has no more than 6 conviction points on their licence and no bans of any kind** **Has had no more than 1 fault claim in the last 3 years** **Do not have the Third-Party Extension cover on their existing motor policy** **The vehicle has a valid MOT and is taxed for the road, unless exempt from doing so**

Anyone aged less than 19 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25.

Any competitor who falls outside these parameters may be offered cover at equivalent terms or an agreed price, if approval from the Appointed Insurance Broker has been obtained by the event organisers, prior to the event.

Approval can be sought by Event Organisers sending an email to contact@reis.co.uk and providing the Driver's name and date of birth, the date they passed their driving test and full details of any motoring claims and/or convictions.

Additional cover provided by this scheme is only effective whilst the vehicle is actively competing in the event and remains under the control or direction of the event organiser(s). Cover will cease immediately if you are precluded, excluded or retire from the event.
